ABOUT THIS GUIDE

Is Long-Term Enrolment Right for Your Family?

This guide covers **long-term, full-time enrolment** at Selong Bay School — for families who are settling in Lombok for an extended period and who hold, or are in the process of applying for, a **KITAS** (Indonesia's temporary stay permit). Long-term students join our regular full-time timetable alongside our on-campus community, term after term.

This is different from our **World Schooling** programme, which is designed for families travelling through Lombok short-term and offers flexible, short-stay enrolment at separate short-term rates. If your family is here for a matter of weeks rather than a full school year, ask us about World Schooling instead — this guide's pricing does not apply to short-term stays.

In short: if you're relocating to Lombok long-term and your child will hold a KITAS, this guide's pricing and terms are the ones that apply to your family.

Age Group Guideline

Early Years	Ages 2–3
Pre-School	Ages 4–5
Primary	Ages 6–12

Age groups are a guideline — we place every child according to their individual readiness and development, not age alone. If you're not sure which group fits your child, just ask us.

WAYS TO SAVE

Discounts

Annual Upfront Discount — 5% off

Pay your child's full annual fee upfront in one payment, and receive **5% off the base annual fee**.

Sibling Discount — 5% or 10% off

Families with **1 sibling enrolled** receive **5% off** the base fee. Families with **2 or more siblings enrolled** receive **10% off** the base fee (this is the total sibling discount — it doesn't increase further with additional siblings).

Important: the annual-upfront discount and the sibling discount are each calculated independently from the base annual fee. They do not stack or compound with one another — each is simply subtracted from the base fee as its own line item.

Worked Example

Primary Grades 1–6, base annual fee, for a family with 2 siblings enrolled who pay annually upfront:

Base annual fee	IDR 95.000.000
Sibling discount (2+ siblings enrolled) — 10% of base	– IDR 9.500.000
Annual upfront discount — 5% of base	– IDR 4.750.000
Total annual fee payable	IDR 80.750.000

Each discount is worked out separately from the original base fee ($\text{IDR } 95.000.000 \times 10\%$ and $\text{IDR } 95.000.000 \times 5\%$), then both reductions are subtracted from the base fee — not combined into a single 15% rate applied compoundingly.

Enquiring About Long-Term Enrolment

Here's what happens after you get in touch about long-term, full-time enrolment:

- 1 Complete the enrolment form**
Submit the Student Enrolment Form on our [Contact page](#) with your child and family details.
- 2 Visit the school**

- 3 Parent & student meeting**
A relaxed conversation, online or in person, to make sure Selong Bay is the right fit.
- 4 Formal letter of acceptance**
We send a formal letter of acceptance once the meeting is complete — submitting the enrolment form is not itself a confirmed place.
- 5 Confirm student details**
Share your child's information and passport/KITAS details to finalise enrolment.

As a growing school, we may not always be able to accommodate every family's exact preferred start date or age group — we'll always let you know as early as possible.
